

STOLKILEN in Søgne

- LOCATION** In Southern Norway's finest archipelago, 10 minute journey by boat from Høllen.

After approx 250 m, turn right down Soltaveien and stay on this road up to the marina. Note that you have to pass through a tunnel on the right to get to Høllen quay. Parking at Solta Båthavn (marina) where Stolkilen AL has 5 parking spaces reserved. These non-labelled spaces are located behind the water treatment plant. Take the first empty parking space available. A windscreen slip as proof that you are permitted to park is enclosed with this info. (Parking at Solta marina is free between 1 October and 30 April).
The best connection is the taxi-boat which picks up and delivers passengers from/to Høllen and Solta marina. The taxi-boat will take you out to Stolkilen for approx. NOK 500 one way, and takes 8-10 passengers + baggage. The telephone number for the taxi-boat service is: (+47) 990 06 995.

The signed footpath to Stolkilen is on the right, about 300 m on the slight left bend on the approach to the wharf. The path is not suitable for prams or disabled persons due to the uneven ground.
